ROOM ESCAPE TEAM BUILDING

WHAT IS A ROOM ESCAPE?

In a room escape a group of participants are locked in a room and have to use elements of the room to find clues, solve a series of puzzles, and escape within 60 minutes. Check out this [video](#) for a fun illustration of how it's done!

HOW DOES THIS HELP CORPORATE TEAMS?

Practically, groups cannot succeed in these rooms unless they are able to self-organize, discern critical tasks and execute them in a time-sensitive manner, engage in individual critical problem-solving strategies, and learn to communicate effectively as a group.

Escape Artistry's room escape games are both challenging and fun, making them excellent learning experiences for those involved. Placing teams in a new immersive environment takes them out of their comfort zone and can allow individuals to show talents that go unnoticed in their current office role or job description. For this hour it's only about results; titles are unimportant. From salesman to CEO, Escape Artistry can recognize the strengths and weaknesses on both the individual and team level.

TEAM ANALYSIS:

Hosts can provide groups with feedback immediately after their particular session. We can present our observations about the group verbally to the whole group after the session, privately to a manager, or in writing to a manager. Additional information about our corporate team building events can be found [online](#).

FACILITIES:

We have two locations and a total of four rooms currently available (with two more scheduled to open by summer 2017), each in a unique style with a variety of puzzles-

Flat Iron Studio 350 (1579 N. Milwaukee Ave) featuring **The Railcar**
The Time Gallery (1342 N. Milwaukee Ave) featuring **Detective vs. Dillinger, The Dollhouse, and Operation G.R.A.N.I.E.**

AVAILABILITY:

The Railcar can accommodate up to 13 guests. Each of The Time Gallery's three rooms can accommodate 10 guests for a total of 30 available players.

All available tickets for session dates and times up to three months from today's date can be viewed online at www.escape-artistry.com, then click the 'Book Now' button.

We have standard times we offer escape sessions. However if a group booking multiple rooms wants to have times adjusted so everyone starts at a similar time, we are happy to adjust start time to accommodate.

COST:

Each ticket cost \$33 per person (including tax). The only way to ensure that your group has a private session is to purchase all of the room's available tickets. There is no additional cost or discount for booking a private session.

FOOD AND ACCOMMODATIONS:

Most large groups enjoy our Wicker Park location as we are surrounded by hundreds of fantastic restaurants and bars. We do have a private room but currently are not set up to host catering.
