EVENTS FOR YOUNG GUESTS

Our puzzles are designed to be challenging for all ages. Birthdays spent here are unforgettable! All Junior Escape Artists (age 18 or younger) must have their liability waiver signed by their Parent/Legal Guardian. Two adults must accompany all parties with young guests.

Teachers, room escapes are a great way to apply fundamental problem solving, listening, and leading outside of the classroom!

PLANNING AN EVENT FOR ADULTS?

We encourage you to visit nearby bars and restaurants, but please keep in mind to not become intoxicated before travelling through time. Successful escape from our rooms relies on a clear mind and sharp eyes!

CUSTOMIZE YOUR PARTY

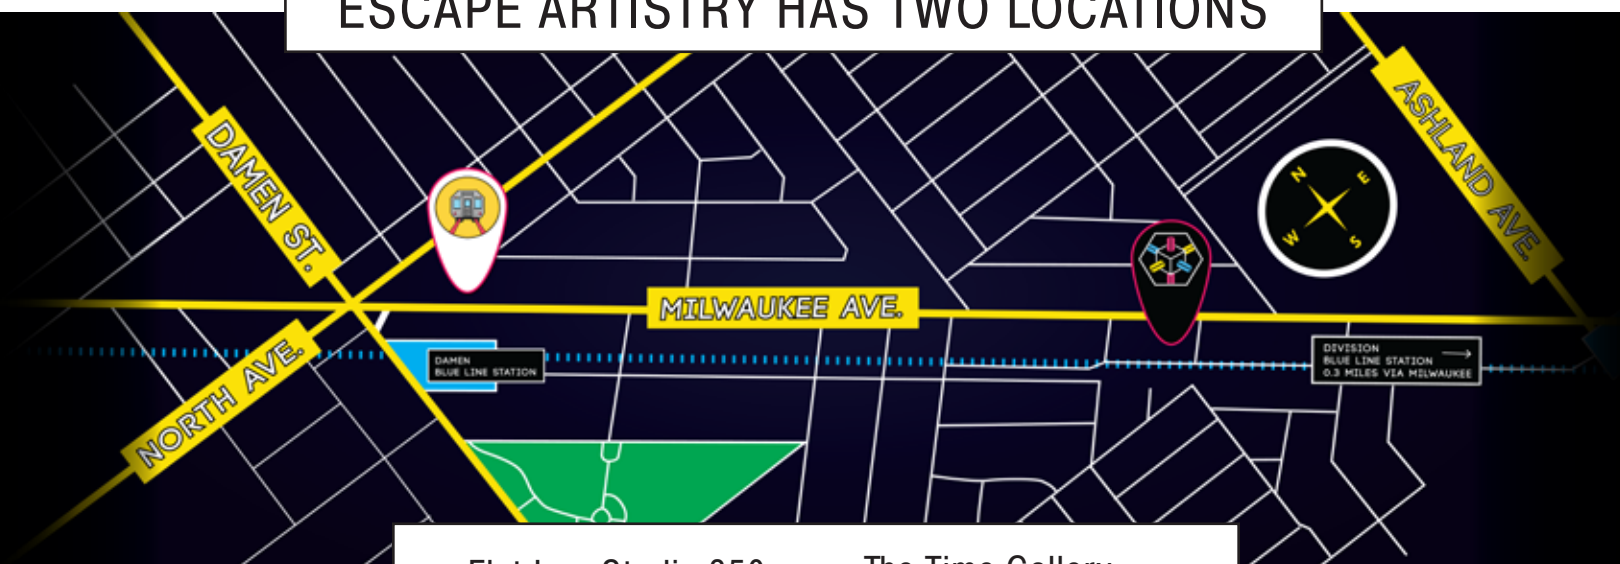

Want to have promo on the train? Host a no pants subway ride? Spanish language meet-up?

In addition to accommodating your group's unique needs, Escape Artistry is happy to customize your private party and:

- Leave a personalized note in the room
- Provide party supplies (banners, balloons, hats)
- Allow early arrival to decorate the lobby
- Take post-show group and individual photos
- Provide professional in-room photography
